The Philippine Statistics Authority (PSA) Siquijor successfully conducted the presentation of the preliminary results of the 2024 Community-Based Monitoring System (CBMS) for the Municipality of Enrique Villanueva on 22 July 2025.

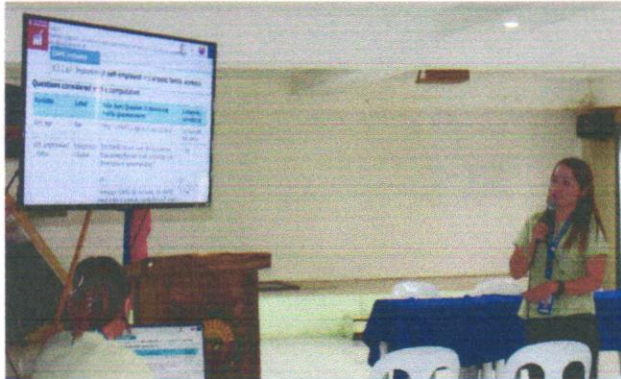

Hon. Ruth B. Aque delivered her welcome remarks and expressed her gratitude to the PSA for presenting the 2024 CBMS preliminary results

The event was graced by key local officials, including Municipal Mayor Ruth B. Aque, Vice Mayor Gerold V. Pal-ing, Municipal Planning and Development Coordinator (MPDC) Engr. Lynie B. Hora, along with department heads and representatives from various Local Government Unit (LGU) offices.

During the activity, PSA Siquijor shared data gathered from the CBMS enumeration conducted in 2024. The results presented provide valuable insights into the socio-economic conditions of households and

communities across the municipality. These findings are intended to support evidence-based planning, policy formulation, and local development initiatives.

Mayor Aque expressed her gratitude to PSA Siquijor for the data-driven support to the LGU, emphasizing the importance of accurate and timely statistics in addressing the needs of their constituents. Vice Mayor Pal-ing and MPDC Engr. Hora also extended their appreciation, noting the relevance of CBMS data in guiding the LGU's strategic planning and program implementation.

The CBMS aims to generate localized, disaggregated data that can be used to target programs more effectively and monitor progress toward inclusive development.
