

PRESS RELEASE

BRAP to Join the PIA Barangayan sa Bagong Pilipinas

Date of Release: 08 July 2025
Reference No.: 2025-PR61-010

The Birth Registration Assistance Project (BRAP) is set to participate in the upcoming *PIA Barangayan sa Bagong Pilipinas* activity on 09 July 2025 at the Social Center of the Municipality of San Juan, bringing with it essential civil registration services aimed at ensuring every Filipino is counted and recognized.

As part of its ongoing mission to improve civil registration coverage, BRAP will be distributing 20 birth certificates printed on security paper to its clients during the event. In addition, BRAP will continue to accommodate clients whose births remain unregistered, offering on-site registration services and guidance to help complete the necessary requirements.

The BRAP team's presence in this community-focused event underlines its commitment to making birth registration accessible to underserved populations, especially those in remote barangays. This initiative is aligned with the government's broader efforts to build a *Bagong Pilipinas* that is inclusive, people-centered, and development-driven.

Everyone is encouraged to visit the BRAP area during the event to avail of the free services or seek assistance for their civil registry needs.
