PRESS RELEASE

Date of Release: 14 July 2025

Participants are actively participating in presentations, discussions, and performance workshops that reflect both achievements and areas for growth. The sessions highlight the region's efforts in survey operations, statistical reporting, data quality, and program implementation.

Siquijor, the host province, provides not only a peaceful venue but also a meaningful setting for this historic gathering. Being the smallest province in the region, Siquijor plays a proud and vital role in fostering collaboration and unity among NIR statistical services offices.
